

**2015-2016**

| S.No | Name of student enrolling into higher education |                         | Program graduated from | Name of institution joined       | Name of programme admitted to    |
|------|---|-------------------------|------------------------|----------------------------------|----------------------------------|
| 1    | UR12ME001                                       | A.Johnbino              | B. Tech. Mech Engg     | Karunya University               | Mtech-Engineering Design         |
| 2    | UR12ME013                                       | Akash Deep Minz         | B. Tech. Mech Engg     | IIM Kozhikode                    | MBA                              |
| 3    | UR12ME084                                       | Jafiwise D              | B. Tech. Mech Engg     | Karunya University               | Mtech-Engineering Design         |
| 4    | UR12ME106                                       | Jude Samuel I           | B. Tech. Mech Engg     | Karunya University               | Mtech-Engineering Design         |
| 5    | UR12ME162                                       | ROSHAN THOMAS           | B. Tech. Mech Engg     | Wayne State University           | Mechanical Engineering           |
| 6    | UR12ME166                                       | Sajeev Thomson Mathew   | B. Tech. Mech Engg     | University Of Texas At Arlington | Mechanical Engineering           |
| 7    | UR12ME177                                       | SHEBY JOHN VARGHESE     | B. Tech. Mech Engg     | Offenburg University, Germany    | Energy conversion and management |
| 8    | UR12ME178                                       | Sherin Godson R         | B. Tech. Mech Engg     | Amrita University                | Engineering Design               |
| 9    | UR12ME181                                       | Shone Henry             | B. Tech. Mech Engg     | Karunya University               | Engineering Design               |
| 10   | UR11ME021                                       | ARJUN S                 | B. Tech. Mech Engg     | Karunya University               | Engineering Design               |
| 11   | UR11ME138                                       | NIRMAL MATHEN KURIAN    | B. Tech. Mech Engg     | Karunya University               | Engineering Design               |
| 12   | UR10ME022                                       | J JOEL TITUS            | B. Tech. Mech Engg     | NIT TRICHY                       | Design Engineering               |
| 13   | UR11ME106                                       | KEVIN THOMAS KUTTOTHARA | B. Tech. Mech Engg     | Karunya University               | Mechanical Engineering           |
