

<b>Name</b>	<b>L. Prawin</b>				<b>Designation: Assistant professor</b>	
<b>Date of Joining</b>	24 May 2023					
<b>Research Areas</b>	<b>Reduction of Exhaust pollution</b>				Email : prawinl@karunya.edu	
<b>Education</b>	UG	B.E. Aeronautical Engineering	Infant Jesus College of Engineering.		Anna University	
	PG	M.E. Aeronautical Engineering	Anna University Regional Campus, Tirunelveli.		Anna University	
	PhD	Mechanical Engineering (Pursuing)	Anna University		Anna University	
	Others					
<b>Total Experience (Years)</b>	Teaching		Industry		Research	
	1		-		-	
<b>Area of Specialization</b>	Aerodynamics, Computational Fluid Dynamics					
<b>Research Interests</b>	<b>Wake flow control, Discrete Phase models, Porous media, Conjugate Heat Transfer and Multiphase simulations</b>					
<b>Subjects Teaching (3 best subjects)</b>	Under Graduate			Post Graduate		
	CFD, Aerodynamics and Thermodynamics					
<b>No. of Papers Published</b>	Scopus	2	Web of Science	-	UGC / Others	-
<b>No. of Papers Presented in Conferences</b>	International : 2 National :		No. of FDPs attended 2		No. of Guest Lectures Delivered	
<b>Patents</b>						
<b>Research Guidance</b>	Ph.D. :		PG Level :		UG Level :2	
<b>Research Grants</b>	Organization		Topic		Amount	
<b>Professional Memberships</b>						
<b>Consultancy Associations</b>						
<b>Awards / Honours</b>						
<b>Department Responsibilities</b>	Incharge of UAV Laboratory					
<b>Other accomplishments</b>
